

Maxine Cudlip

Associate, Urban Designer

Maxine has a background in Landscape Architecture and is a practiced Urban Designer. She is currently working with both public and private sector clients on multi-disciplinary teams, on a broad range of projects including large scale master plans, waterfront developments, landscape design and community revitalization and development approvals. Maxine has worked in various context and scales, addressing social, economic and environmental challenges through planning and design. Maxine is currently involved in the planning and design services for the Richmond Hill Centre Secondary Plan, and three major shopping centre redevelopments in the Greater Toronto Area. She is passionate about creating responsive design strategies and facilitating public engagement.
